

STARTREC SCHOLARSHIP

Criteria for Scholarship

- Student must be pursuing the A.S.in Agricultural Science degree at ACC
- Student must be planning on attending UTRGV or Texas State University after graduation from ACC
- Students must submit two professional letters of recommendation and a personal statement

The *South Texas Agricultural Roadmap for Teaching, Research, Experiential Learning, and Careers* grant provides funds for students pursuing an Associate of Science in Agricultural Sciences from ACC as a precursor to obtaining a four-year agricultural science degree from UT Texas Rio Grande Valley or Texas State University. Students are awarded **\$4,000** towards tuition and other educational expenses, payable in \$1,000 installments per semester. Preference will be given to students of Hispanic heritage or from other underserved communities.
