STARTREC SCHOLARSHIP

The **South Texas Agricultural Roadmap for Teaching, Research, Experiential Learning, and Careers** grant provides funds for students pursuing an Associate of Science in Agriculture Science or an Associate of Applied Science in Sustainable Agriculture degree from ACC who are also interested in obtaining a four-year agricultural science degree. Students are awarded up to **\$4,000** towards tuition and other educational expenses. Preference will be given to students of Hispanic heritage or from other underserved communities, but all are welcome to apply.

Eligibility Criteria

- ✓ Pursuing the A.S. in Agriculture Science or A.A.S. in Sustainable Agriculture degree at ACC
- ✓ Interested in attending a four-year institution after graduating from ACC
- ✓ Provide a professional letter of recommendation and statement of interest

Spring 2026 applications open February 25 through March 25
