

Come Work With Hill Country Jennies & Friends!

Part-Time Event & Animal Care Team | Central Texas

Love animals? Looking for a fun, flexible way to make some extra money and gain hands-on experience? We'd love to meet you!

A Little About Us

Hill Country Jennies & Friends is a local, family-run business that brings our **miniature donkeys, and miniature Highland cows** to weddings, birthday parties, corporate events, venue open houses, and other special events throughout Central Texas.

Our animals get to be a pretty special part of some really fun days, and as we continue to grow, we're looking for a few great people to join our team!

What You'll Be Doing

We're looking for **dependable, friendly, animal-loving students** who would be interested in helping us part-time at events.

Depending on the event, you may help with:

- Getting the animals groomed and ready before an event
- Helping load and unload animals, supplies, and equipment
- Handling and caring for the animals throughout the event (1 hour)
- Making sure our animals are happy, comfortable, clean, and looking their best
- Helping guests safely interact and take photos with the animals
- Assisting with our beverage service experiences at weddings and events
- Representing Hill Country Jennies & Friends and making sure our clients and their guests have an amazing experience

What We're Looking For

We will be needing extra hands starting in 2027! You **don't have to be an animal expert** or have years of experience. We're happy to teach the right person!

We're mainly looking for someone who:

- Is **at least 18 years old**
- Is responsible, dependable, and punctual
- Is comfortable around animals and excited to learn
- Is friendly and comfortable interacting with guests
- Is willing to jump in and help wherever needed
- Has reliable transportation
- Is available for some evenings and weekends
- Is willing to obtain their **TABC certification** before working events where alcohol is being served

Previous animal, agriculture, hospitality, or event experience is definitely a plus, but **not required**.

Why We Think It's a Pretty Fun Job

You'll get **paid, hands-on experience working with animals** while also gaining experience in customer service, hospitality, events, and working with a growing local business.

Most of our events are on **evenings and weekends**, which can make this a great job to work around a college schedule.

And instead of spending your Saturday behind a desk, you might be hanging out with a miniature Highland cow or donkey at a beautiful Hill Country wedding. There are definitely worse ways to make some extra money!

Interested?

We'd love to hear a little about you!

Send us a quick introduction with **what you're studying, your availability, and any previous animal or work experience you have**. Don't worry if you don't have a ton of experience yet. That's part of what this opportunity is for!
