

now hiring advanced manufacturing flexible workforce

vehicle module assembly

\$18.00/hour (manor, tx)

ideal candidates:

- thrive in an environment working with tools & assembling parts
- enjoy active work & staying busy
- detail oriented
- follow structured workflows
- ability to work 10 hour shifts
- support a safe work environment

why randstad?:

- **flexibility:** you choose the shifts you want to work each week
- **experience:** get work experience applicable to the industry you've chosen
- **career progression:** start with flex, and then be considered for a full time career when it works best for you
