

Minority Surveyors Summit

Presented by Future Surveyors Foundation

Join Us for the 1st Minority Surveyors Summit
A Virtual Event for Land Surveyors & Geospatial Professionals

Date & Time: October 25, 2024
Location: Virtual Conference

Are you ready to be part of a transformative experience that creates opportunity, inspiration, and support in the Land Surveying and Geospatial profession? The 1st Minority Surveyors Summit is here to bring together professionals from diverse backgrounds across the nation for education, inspiration, and networking!

This virtual event is open to all individuals at every stage of their career. Whether you're just starting out or a seasoned expert, you'll have the opportunity to:

Learn from industry leaders about the benefits of being a minority in the profession.

Gain insights and inspiration to help shape a more inclusive future in surveying and geospatial engineering.

Network with professionals from all walks of life who share your commitment to diversity and innovation.

By attending, you're not just supporting minorities in the profession; you're helping to foster a more inclusive and dynamic future for everyone in the field. Let's work together to ensure that all voices are heard and valued!

Who Should Attend?

Land Surveyors, Geospatial Professionals, students, educators, and anyone interested in advancing within the profession.
